The Fresh Anointing Sunday School Class is more than just a place to gather on Sunday nights for a Zoom experience. It's a spiritual experience designed to refresh, renew, and empower every participant. What makes our class unique is our focus on creating a space where God's Word comes alive, not just for head knowledge, but for heart transformation and everyday living and more.

What Our Class Covers: We dig deep into the Bible, exploring not only the stories and teachings of Scripture but also how they apply

directly to the challenges and opportunities of modern life. Each lesson is structured to balance:

Biblical Teaching – Clear, scripture-based lessons that provide both depth and context.

Open Discussion – Opportunities for participants to share perspectives and ask honest questions.

Life Application – Practical takeaways that can be used at home, at work, and in the community.

Topics Explored Include:

How to walk daily in the power of the Holy Spirit.

Discovering and using spiritual gifts.

Building stronger prayer lives.

Faith in action: how to live out biblical truth in a broken world.

Overcoming spiritual strongholds and walking in freedom.

Growing in Christlike character—love, patience, forgiveness, and joy.

What Sets Us Apart:

Unlike many classes that focus only on information, the Fresh Anointing class emphasizes transformation. We believe the anointing breaks yokes, so our teaching is Spirit-led and designed to equip you to not just know the Word, but to live it with power. Participants will experience an atmosphere of encouragement, accountability, and genuine fellowship where everyone feels welcomed, valued and loved.

Why Choose Fresh Anointing? When you attend, you will:

Gain a deeper understanding of God's Word and His promises.

Learn how to apply scripture to real-life struggles and victories.

Be spiritually refreshed and renewed each week.

Grow in boldness, faith, and your personal walk with Christ.

Be part of a supportive community that uplifts, prays, and grows together.

This is not just another Sunday school class—it's an opportunity for fresh oil, fresh fire, and fresh direction from God. If you're seeking a class that will challenge you biblically, inspire you spiritually, and strengthen you personally, the Fresh Anointing class is for you.

Target Demographic

The Fresh Anointing Zoom Class is for men and women of all ages who are seeking a deeper walk with God, fresh empowerment from the Holy Spirit, and practical biblical wisdom for life's challenges.
